Producers are only eligible to run 2 double or triple points events per number – per point's year. These do not have to be consecutive events and the promoter can nominate what dates they wish to apply their quota of 2 per #Roping. If the promoter does not want the bonus points applied to consecutive events (e.g. have 6 x 5 head event dates, wanting the 2nd date and 4th date to have the bonus points applied & advertised) then they are required to book their dates in advance in order to commit to their quota and to give members sufficient advanced notice on what dates will have bonus points applied or not.

JUSTIFICATION:

BOD Meeting 08/09/2015
Moved: Jeff Miller; Seconded: Mark Gibb

Provide an expanded explanation as to how the rule can be applied. The amendment is to make it clear that whilst the Promoter is limited to 2 bonus points events per number per season, they are able to choose when they can apply that quota.
